

1. ENGINE BAY DETAIL \$50

Maintaining a clean engine bay will keep your vehicle healthy and happy, allowing easier vehicle maintenance such as oil and water checks. It will also help identify engine problems such as oil and coolant leaks. Having a clean engine bay shows that your vehicle has been well looked after and will increase resale value. Degreased and steam cleaned.

2. EXTERIOR WASH \$70

It is recommended your vehicle be thoroughly washed or in some cases "decontaminated" regularly to keep the paintwork and plastics in prime condition. Any build ups of tar, road grime and mineral deposits will be cleansed by hand from the exterior of your vehicle.

3. INTERIOR CLEAN & TIDY \$60

Life gets busy and before you know it, the inside of your vehicle will be covered in grass, dust, dirt, pet hair or the aftermath of travelling with kids. A thorough vacuum of the carpets, floor mats, seats and clean of the interior surfaces will have your vehicle feeling nice and fresh again.

4. FABRIC SHAMPOO \$85

Sometimes the interior of your car needs something more than just a vacuum to really get your vehicle clean again. A deep clean and sanitise of your fabric seats, floor mats and carpet.

5. EXTERIOR WASH + INTERIOR VALUE DEAL \$140

A thorough outside wash along with a vacuum and tidy of the inside of your vehicle.
BONUS: Wheel arch and tyre clean & shine + Windows cleaned inside and out.

6. LEATHER & VINYL CLEAN \$95
